### **POSITIVE PROFIT ALERT**

The Board wishes to inform the Shareholders and potential investors of the Company that following the increase in revenue and profit of the Group for the first six months of 2016, the Group is expected to record a net profit attributable to the Shareholders of not less than RMB200 million for the year ended 31 December 2016 as compared to a net profit of RMB107 million for the year ended 31 December 2015.

The board of directors (the “**Board**”) of Leoch International Technology Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that following the increase in revenue and profit of the Group for the first six months of 2016 (the “**First Half 2016**”), the Group is expected to record a profit attributable to Shareholders of not less than RMB200 million for the year ended 31 December 2016 as compared to a net profit of RMB107 million for the year ended 31 December 2015. Like the First Half of 2016, such increase in profit was primarily attributable to the strong growth in sales of the Group during the year.

The Company is still in the progress of finalizing the financial results of the Group for the year ended 31 December 2016. The information contained in this announcement is a preliminary assessment based on the Group's latest unaudited consolidated management accounts and information currently available to the Board which has not been reviewed by the audit committee nor the independent auditors of the Company. Shareholders and potential investors should refer to the formal annual results announcement of the Company

to be published by the end of March 2017.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**
